Re: United States of America versus Keith McClean
19 Cr. 00828 (ALC)

Your Honor,

I represent Mr. Keith McClean, the defendant against whom a violation of supervised released hearing is scheduled before the Court tomorrow, January 30th, 2024, at 12:00 p.m. I write to again update the Court on the status of Mr. McClean's pending state criminal case, the allegations of which form the basis of the instant proceeding, and to ask that the upcoming hearing again be adjourned.

The state criminal matter has been adjourned until February 16th, 2024, for hearings and trial. Plea negotiations remain ongoing, and I am still optimistic a resolution may be forthcoming. In light of this, I think that an adjournment beyond his next state court appearance is again appropriate to determine the outcome of the state matter. Probation has no objection to this request, and the Government takes no position with respect to it.

Respectfully submitted,

Raymond Elvis Gazer, Esq.
